

Latrobe Park Flower Bed Maintenance Handbook for "Adopt a Flowerbed" Volunteers

"Adopt a Flowerbed" Volunteers are needed to help maintain our beautiful Latrobe Park. If you are interested in helping, pick a bed on the diagram and email your name and the bed number to contacts@mylocustpoint.org.

We are working to maintain the beautiful park and with a little help, from many individuals, can keep it beautiful and inviting throughout the year. Just a small amount of time and many hands would be of great help. There are many beds of various sizes that need tender care

Thank you for signing up and encouraging others to do so.

Responsibilities:

On-going Maintenance needs for each flowerbed:

Weeding on an as necessary basis – possibly 2x month

Watering as necessary to keep beds hydrated

Keep debris out of bed for nice appearance

Make suggestions to park committee for improvement and changes you might see are needed to maintain the park

Invite others to lend a helping hand with the flower beds

Spring spruce-up

Lend a hand for the spring clean up and

Help with spring planting if you can

Summer Maintenance

Watering as necessary

Maybe deadheading of some flower species

Fall Spruce-up

Lend a hand for the Fall planting and clean up.

Help with fall planning and planting if you can.
